Dear National Fire Academy Student:

Congratulations on your acceptance to the U.S. Fire Administration's National Fire Academy's (NFA) *Management of Emergency Medical Services* (MEMS) course. This course offers you the opportunity to explore, in depth, many management issues facing first-line managers of today's pre-hospital emergency care providers. Designed to engage students directly in emergency medical services (EMS) management problem solving, with extensive readings in the latest research in the field, and supported by detailed individual feedback on the approach taken, the course will provide ample opportunity for practicing effective, first-line supervisory EMS management skills.

This course is very intense. In order to maximize your learning experience, some preparation is necessary. Please bring the following materials:

- A performance appraisal form currently used in your department or service to evaluate and provide feedback on employee's job performance, if you have one;
- A copy of your system's customer service policy or customer service model, if you have one;
- A copy of your system's orientation program, if you have one.

The MEMS course will contain simulation-based exercises, which focus on the management of a fictional county known as Green County Fire and EMS, and its fire and EMS organization. Throughout these exercises, you will assume a particular role in that organization. To enhance your learning experience, you are encouraged to **study the following materials before you arrive at the Academy**. It is critical that you make yourself familiar with the organizational charts, policies, and procedures of Green County in order to effectively use the allotted class time for the exercises.

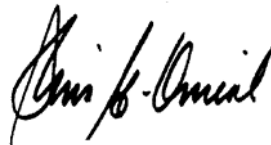

- *Green County Simulation Training Exercise* – familiarize yourself with background materials and answer study questions that are included;
- Review course goal and course introduction.

Feel free to bring any written materials, i.e., procedures, protocols, etc., to share with other students. We ask that these items be in an electronic format on a 3-1/2" floppy disk, and in either Microsoft Word or WordPerfect format. There will not be an opportunity to photocopy these items due to the limitations on NFA reproduction resources.

Increasing students and instructors are bringing laptop computers to campus. You alone are responsible for the security and maintenance of your equipment. The Academy cannot provide you with computer software, hardware, or technical support to include disks, printers, scanners, etc. There is a limited number of 120 Volt AC outlets in the classrooms. A Student Computer Lab is located in Building D and is available for all students to use. It is open daily with technical support provided in the evenings. This lab uses Windows XP and Office 2003 as the software standard.

Should you need additional information related to course content or requirements, please feel free to contact Mr. Doug Williams, Acting Emergency Medical Services Training Specialist, at (301) 447-1158 or email at [Doug.Williams@dhs.gov](mailto:Doug.Williams@dhs.gov)

Sincerely,

# Green County Simulation Training Exercises

---

## Background Materials

An emergency medical services (EMS) system provides for an arrangement of personnel, facilities, and equipment for the effective and coordinated delivery of prehospital and other health care services under emergency conditions for a specific geographic region. The system may be administered by either a public or private entity that has the authority and resources to effectively administer the system.

Throughout the Green County Simulation Training Exercise, you will assume the role of Chris Fleming, acting Battalion Chief, EMS, in Green County Fire and EMS. While the Green County EMS organizational structure may not be exactly like your own system, it is a viable organization that will enable you to experience issues representative of those you may encounter in your own organization. All of the geographic locations and personalities you will encounter during the simulations are fictional. Any similarity to actual locations or personalities is purely coincidental and should not be considered relevant to the simulations.

Each simulation exercise focuses on the management of EMS for a fictional county government, Green County, located in the southwestern corner of East State. The county is bordered on the west by West State, on the east by Bluefield County, East State, on the north by Reds County, East State, and on the south by the State River which is also the border with New State (figure 1). Green County covers 100 square miles and is home to 100,000 people. The population is largely concentrated in Greentowne (60,000 people), which is also the county seat, and the only major city in Green County. The remainder of the county is mostly rural farm area but several industrial parks are located around Greentowne. Although most of the parks support only light manufacturing plants or truck distribution centers, Hazardton Center, located west of Fire Station 2, is the site of a large gaseous products distribution plant as well as a major industrial waste storage and transfer station. The Green County Airpark is located in the northeastern corner of the county and is used primarily by private aircraft. Green County is traversed by several major highways that are heavily utilized by interstate truckers. A major intersection of these highways occurs in the center of Greentowne leading to Bailey's Bridge that crosses the State River to Capital City, NS. Capital City is a large metropolitan area, population 500,000, and is the work site of many Green County residents. The Capital City International Airport is approximately 12 miles from Greentowne, across the State River, and is served by a number of major airlines. Capital City Memorial Hospital is a large teaching hospital with a major trauma center.

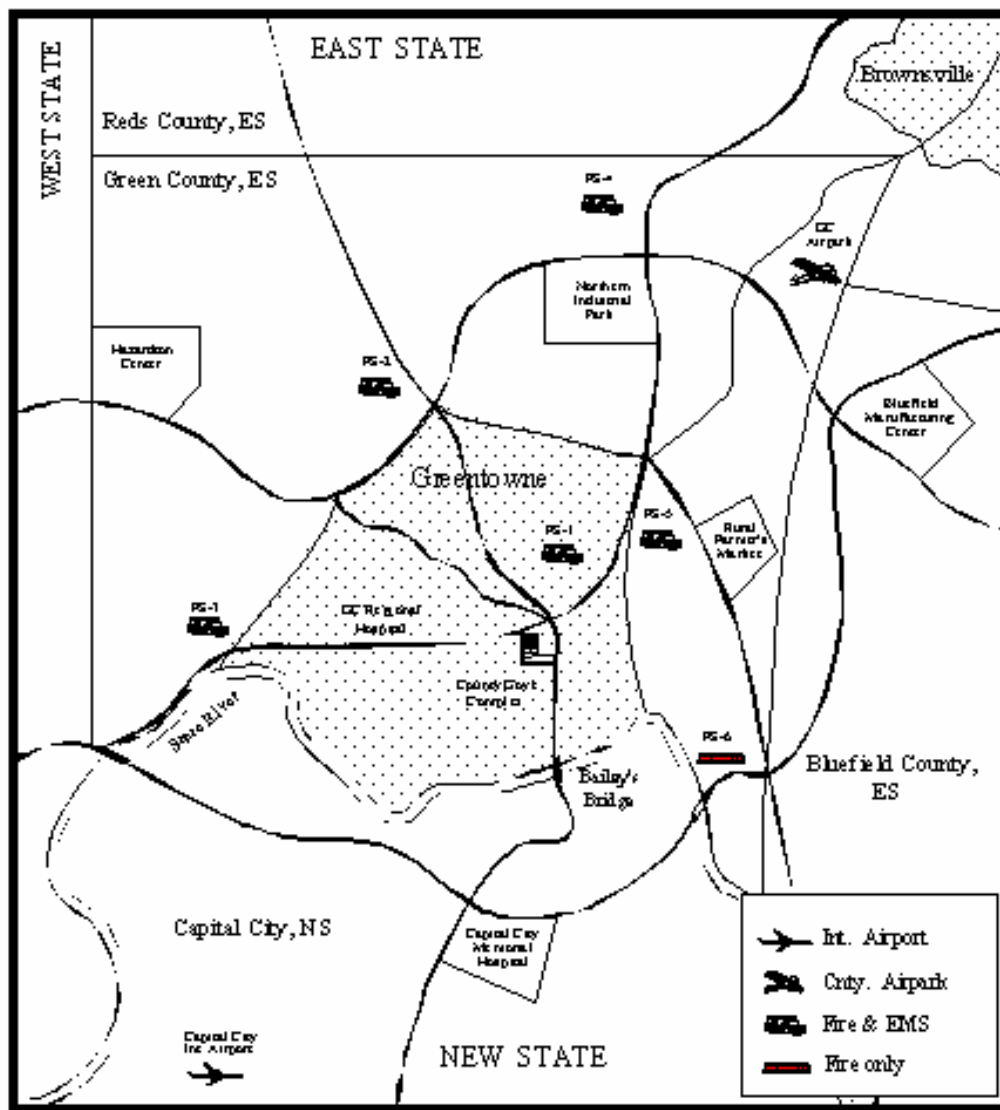

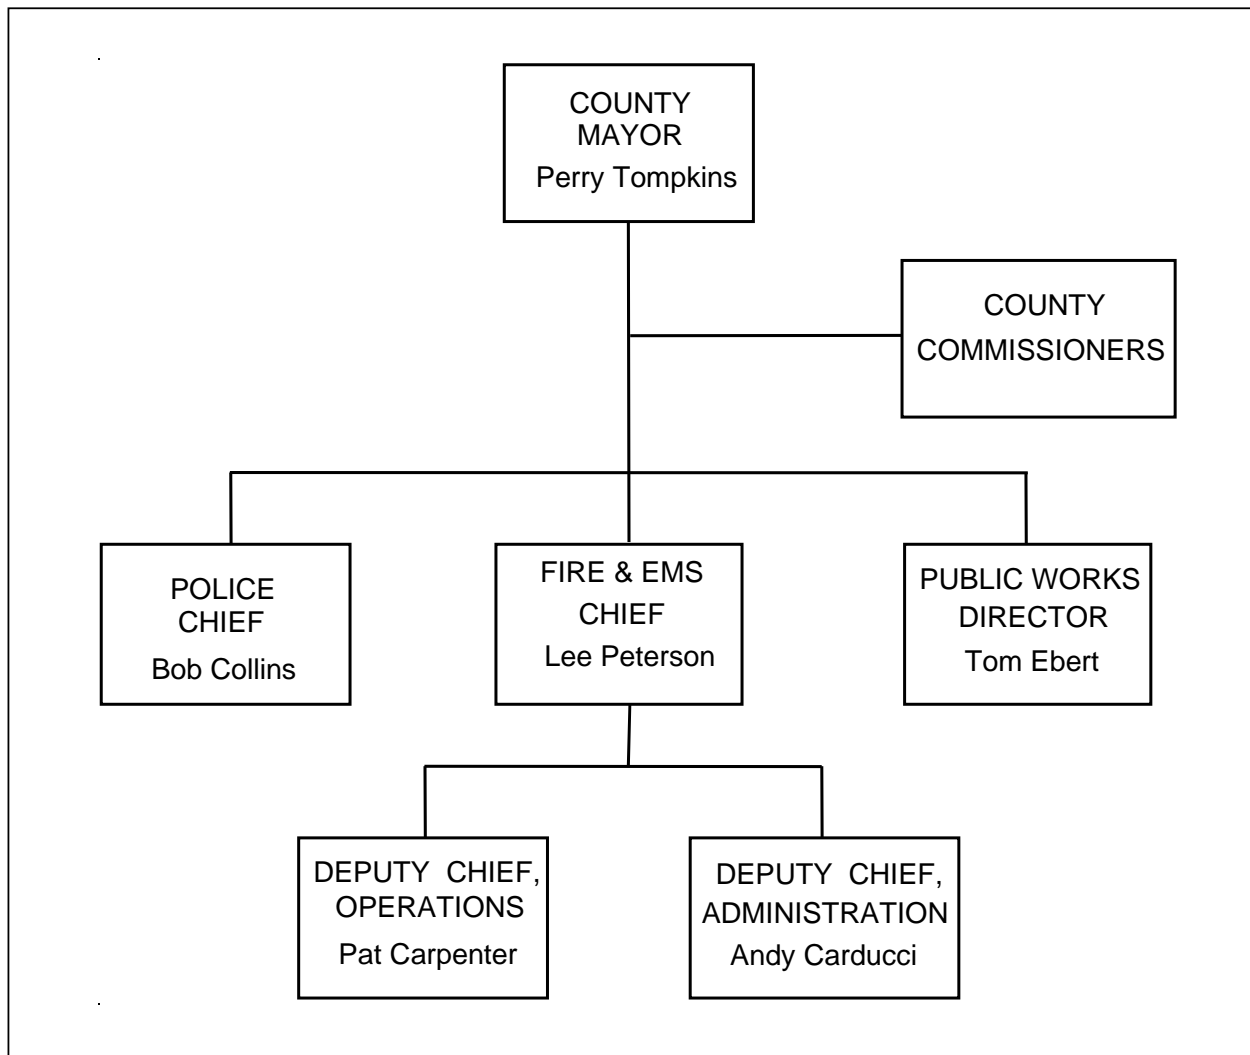

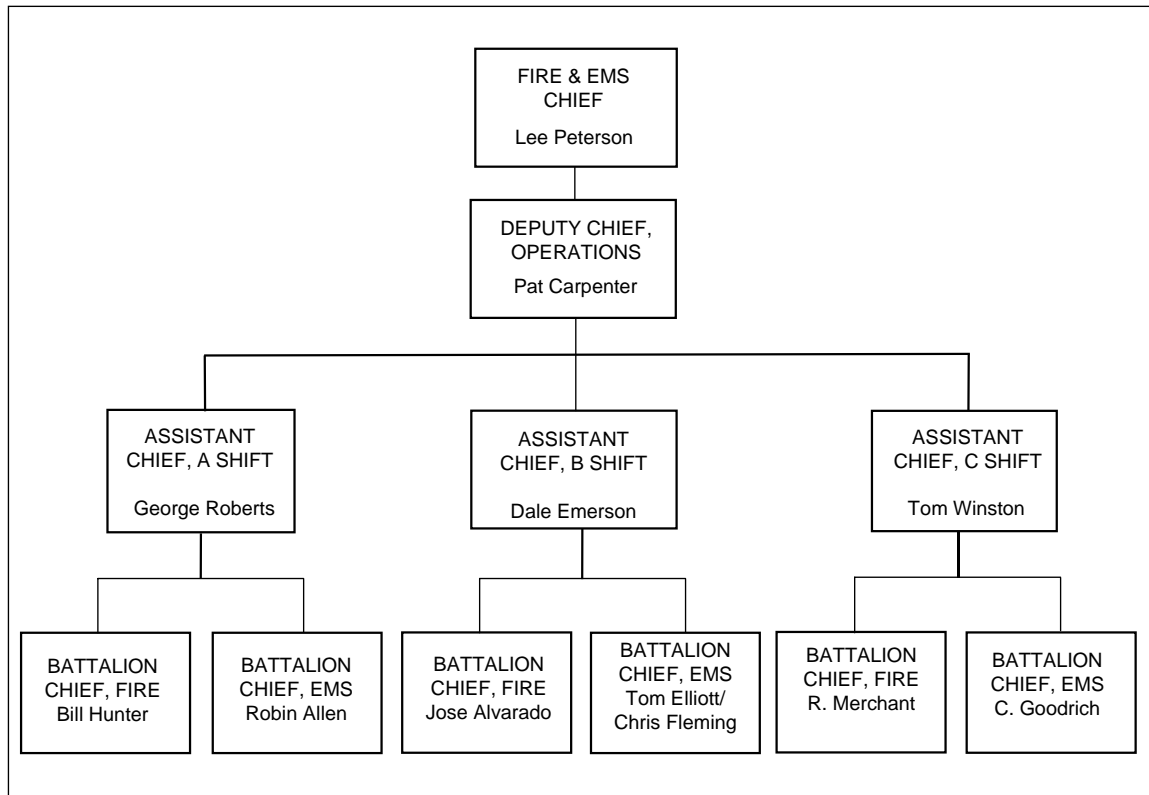

Figure 1. Map of Green County and Surrounding Area

The Headquarters of Green County Fire and EMS and the office of the Chief of Fire & EMS are in the County Public Safety Complex adjacent to the County Municipal Building. The county mayor's office, county commissioners, and county administration are in the Municipal Building. Both buildings are located in the Green County Government Complex in Greentowne. The Chief of Fire & EMS reports directly to the county mayor and commissioners (figure 2). The Chief of Fire & EMS is supported by a Deputy Chief, Operations, and a Deputy Chief, Administration.

The Deputy Chief, Administration, is responsible for the Fire Marshal; Fiscal Officer; Assistant Chief, Communications; Assistant Chief, Training; and Public Information Officer (figure 4).

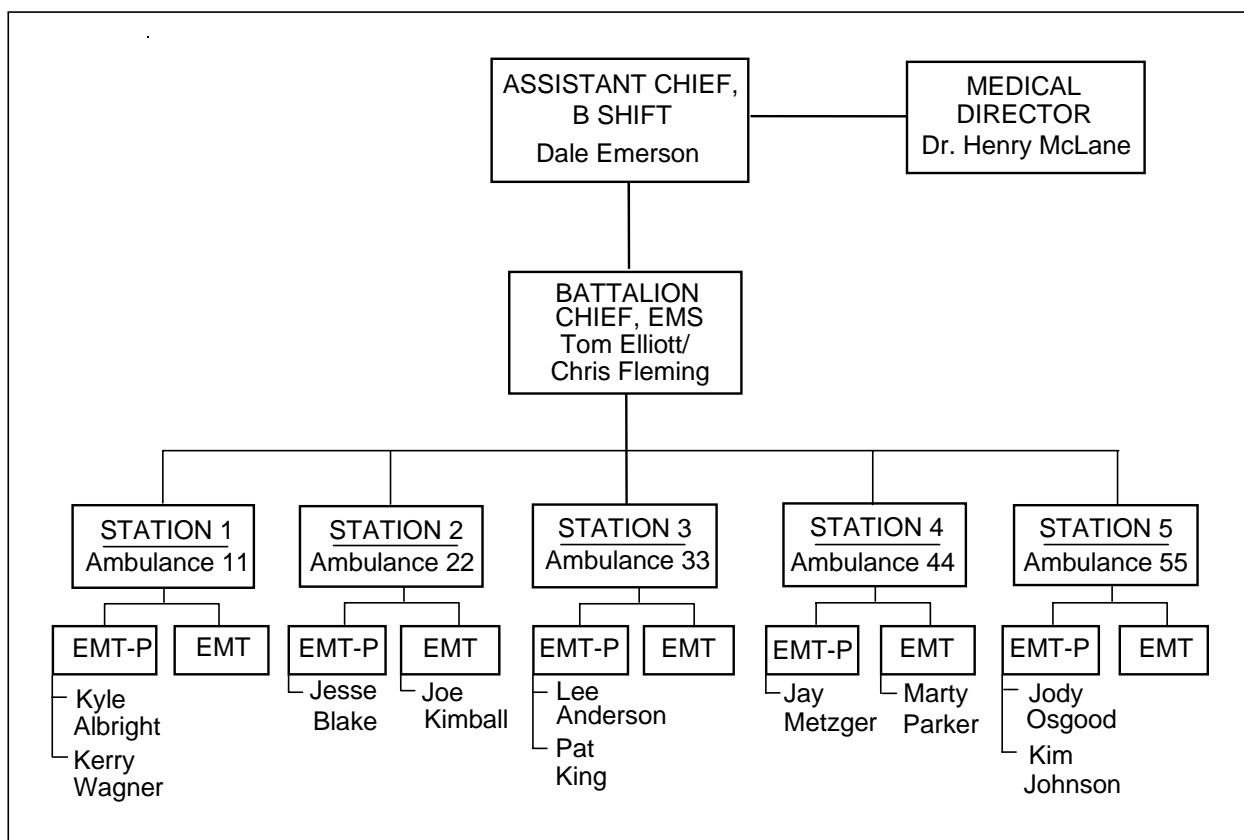

**Figure 4. Organization Chart,  
Green County Fire & EMS Administration Division**

Green County Fire and EMS provides fire/EMS service to Greentowne and the remainder of the county through six fire stations (see figure 1). Fire stations 1-5 are staffed on all shifts by career firefighters and EMS providers. Because of its rural location, Fire Station 6 is staffed by two career firefighters per shift supplemented by volunteer firefighters for each response. There is a cadre of reserve personnel on call in Green County to fill in for and assist EMS members.

Green County Fire and EMS shares responsibility with the County EMS Medical Director for operation of the county ambulance service as a division of Fire and EMS. The Medical Director works with the Assistant Chiefs to provide support to the Green County EMS providers. The County EMS Medical Director is a part-time position, currently held by the head of the emergency department at Green County Regional Hospital in Greentowne. Green County Regional is a small, 180-bed, general hospital.

You are acting as Battalion Chief, EMS, for the B shift, responsible directly to the B shift Assistant Chief, Dale Emerson (figure 5). The offices of the Assistant Chiefs and your office are located in Fire Station 1 in the center of Greentowne. Each shift operates five ambulances, one each at Fire Stations 1-5. EMS shift staffing includes eight paramedics (EMT-Ps) and two emergency medical technicians (EMTs), in addition to yourself.

To enhance the response capability of Green County EMS, mutual aid agreements are in effect with Capital City, New State, EMS and Brownsville, East State, EMS. Brownsville is a small community (population 25,000) located in Reds County, northeast of Greentowne.

**Figure 5. Organization Chart,  
Green County Fire & EMS, EMS B Shift**

A Battalion Chief, EMS, is responsible for supervising and coordinating the activities of all EMS members on a designated shift under all types of emergency and non-emergency conditions. Under emergency conditions, a Battalion Chief, EMS, is expected to respond to calls for pre-hospital EMS (as required) to augment the shift EMS members. Under non-emergency conditions, a Battalion Chief, EMS, is expected to:

- Understand, appreciate, and apply the principles of discipline, human relations, and leadership, and to evaluate the quality and results of these factors.
- Conduct post-response debriefs with shift EMS members.
- Inform all shift EMS members of any changes in fire department policies or procedures, or any EMS Medical Director changes to clinical protocols, standard operating procedures (SOPs), or standing orders.
- Coordinate EMS shift staffing with shift members and the shift Assistant Chief.
- Inspect EMS equipment and vehicles for safety and readiness on each shift.
- Perform periodic field audits during each shift to observe performance of EMS members.
- Determine training shortfalls for EMS members.
- Conduct formal and informal training of EMS members as required or directed by the Assistant Chief.
- Evaluate physical fitness and wellness of EMS members to perform all tasks assigned.
- Maintain shift records, file reports, and prepare reports:
  - Record personnel information concerning vacations, sick leave, shift substitutions, and days off on Daily Personnel Record.
  - Perform personnel performance evaluations and promotion potential evaluations.
  - File department bulletins, newsletters, and training bulletins.
  - Maintain vacation schedule, training schedule, and daily activity schedule.
  - Maintain and/or prepare inspection reports, maintenance reports, progress reports, monthly activity reports, fuel expenditure reports, and work orders.
  - Review all quality management reports; analyze and use quality management data to enhance vehicle and equipment performance and readiness.
- Attend shift meetings with Assistant Chief and fire suppression Battalion Chiefs.
- Work on committee assignments or as requested by Assistant Chief to develop department plans and procedures, gather information, or enhance department image.

- Coordinate work activities with other shift Battalion Chiefs to maintain continuity and exchange pertinent operational and administrative information.
- Assist Assistant Chief with internal investigations.
- Assist Assistant Chief with department public information, education, and relations (PIER) program.
- Substitute for Assistant Chief, as required.
- Ensure all goals of the department are being met.

## **Summary of Green County Fire and EMS Policies and Procedures**

**Shift Rotation** occurs in a simple A, B, C, A, B, C,... pattern.

**Overtime** is permissible at the request of the member, and will be calculated as time and a half. Overtime is never compulsory. At no time is any member's service to exceed 48 consecutive hours.

**Vacation Time** may be taken at the supervisor's discretion. All vacation requests must be submitted at least one week in advance. Employees may not take vacation time which has not yet been accrued.

**Sick/Personal Time** may be taken when necessary, and must be used in the year in which it is earned.

**Shift Substitutions** must be approved by both members' supervisors. The requesting member is responsible for ensuring reliable coverage, and for promptly working the agreeing member's shift in trade. Shift substitutions are not tracked by the department and do not result in a change in pay for either member.

**Reserve Emergency Personnel** may be used to cover shifts consistent with rank and availability. Reserve personnel are qualified EMTs and EMT-Ps who work for the department on a part-time, as-needed basis. Most reserve personnel are former full-time members who maintain their licensure and continue to work shifts when their current positions or commitments allow. All reserve members are positively available if notified at least 48 hours prior to shift.

**Personnel in Training** are to serve with a Field Training Supervisor for their first 288 hours. For the first 144 hours, personnel in training are to observe only, and should not be considered as shift coverage.

**Member Training** courses at Green County Fire Academy are available on a first-come, first-serve basis. Use of the Academy is unlimited for members with their supervisor's approval. Members in training at the Academy will be paid as if working. All other training is compensated at the discretion of the supervisor.

**Representing Fire and EMS** through lecture, demonstration, etc., requires permission from the Chief, Green County Fire & EMS.

**Discipline** is to be delivered in a timely manner by the member's direct supervisor. Whenever possible, this should occur during the same shift in which the incident occurred, or during the shift immediately following. Properly administered counseling by superiors is intended to prevent the necessity for later and more severe corrective measures.

**Commendations** by citizens for outstanding service are to be maintained in the office of the Chief, Green County Fire & EMS, with copies forwarded to the Mayor and the Civil Service Board. Should a member receive such a letter directly from a citizen, he/she shall forward same to the Chief, Green County Fire & EMS, through the chain of command.

**Performance Appraisals** are the responsibility of the direct supervisor. Appraisals include feedback concerning performance and recommendations for activities which will enhance skills and improve performance. Authority for completing the form shall not be delegated.

**Merit Pay Raises** will be awarded automatically on the member's anniversary-of-hire date. The amount of the increase is based on the individual's tenure. The supervisor can recommend that the raise not be awarded if performance is considered inadequate. Recommendations for awarding or denying pay increases must be received by the Human Resources Department no later than 14 days prior to the anniversary-of-hire date. If a recommendation to deny a merit increase is not received by that time, the pay increase will be automatic. If the supervisor denies a merit increase, the increase can be reconsidered at 90-day intervals following the denial.

**Neatness and Personal Hygiene** shall be maintained as befits a member of Fire and EMS. Members shall keep their bodies as clean and free of offensive odors as circumstances will permit. Particular attention shall be paid to oral hygiene and the hands and fingernails.

**Regulation Issue Uniforms** shall be the responsibility of the member. Members shall report for duty in clean, neatly pressed, fully buttoned and snapped uniforms with name tag and insignia properly secured. All uniforms shall be kept as free of rips, tears, and soiling as possible. When damage or soiling exists, the member shall restore the uniform to acceptable appearance, subject to the approval of the supervisor. If the damage is beyond the member's ability to rectify, the garment of issue shall be turned in to the company officer for review. Spare uniforms shall be kept in an immediately accessible location when on duty. T-shirts may be worn while in quarters after 1800 hours (6:00 PM) only.

**Equipment Failures/Absences** of a serious nature are to be reported immediately to the shift supervisor. Incident reports regarding a failure or equipment absence to any degree require that an incident report be completed and turned in prior to completion of shift.

**Vehicle Accidents** are to be immediately reported to the supervisor. Incident reports must be completed prior to the end of the shift. Accidents resulting in serious damage and/or involving private vehicles or property must be reported to GCPD immediately. Drivers involved in such accidents will have driving privileges suspended until completion of the investigation, at which time disciplinary action will be determined by the supervisors.

**Apparatus and Equipment Checks** are to be performed within 45 minutes of beginning the shift. All checks are to be made with the aid of the appropriate checklist which should be completed at that time. Inadequacies of any kind are to be rectified immediately. Inadequacies of a serious (i.e., life-threatening) nature are to be reported to both the oncoming and off-going battalion chiefs.

**Weekly Inventory Control** shall be completed each Sunday afternoon to determine that the proper quantity is on hand, that the items are in good operating order or repair, and that the items belong to the assigned unit. The Weekly Inventory Control Sheet is to be completed as the checks are made. Discrepancies should be brought to the attention of the Battalion Chief, who will complete an Inventory Control Discrepancy Sheet to initiate an investigation. Discrepancies that require immediate action may be telephoned in via the chain-of-command to initiate the correction process without delay.

**Mutual Aid to Other Departments** may be granted by Green County to Capital City, NS, or Brownsville, ES, upon request by the Fire Chief or, in his/her absence, the Duty Chief of the city in need of assistance. Request for assistance shall be initiated through the city's fire and EMS dispatch in accordance with written procedures.

**Mutual Aid from Other Departments** may be granted to Green County by Capital City, NS, or Brownsville, ES, upon request by the Chief, Green County Fire & EMS or, in his/her absence, the Assistant Chief or Battalion Chief on duty. Request for assistance shall be initiated through Green County Fire and EMS Dispatch in accordance with written procedures.

**Prehospital Care Reports** shall be considered part of the patient's medical records and are to be considered confidential and not under the domain of public record.

## **COURSE GOAL AND COURSE INTRODUCTION**

### **Course Goal**

Provide training on the knowledge, skills, and abilities required for first-line management of Emergency Medical Services (EMS) personnel, operations, and equipment. In addition, provide a forum for students to exchange ideas and individual viewpoints regarding current and future issues relating to the management of EMS.

### **Course Introduction**

The original MEMS course in the 1970's was designed to assist students in planning, developing, and implementing an EMS program. Course content addressed those subject areas pertinent to any agency starting up an EMS program. As a greater number of EMS programs came on line around the country, the MEMS student population began to attract greater numbers from those organizations, with new and different management issues. Accordingly, the MEMS course began to change to meet the needs of the changing student population. By 1984, most of the original MEMS course content had been changed completely or dropped from the course.

In 1986, the MEMS course underwent a major review and update. The resulting course keyed upon students representing established EMS programs and the management issues likely to be encountered in those programs. Because a significant percentage of the new EMS organizations were under a fire service umbrella, the revised MEMS course fit nicely into the National Fire Academy (NFA) curriculum structure.

Like the original course, the 1986 version of MEMS continued to change and reflect new issues and trends in EMS management. The course review process also benefited from student input and critiques. In October 1992, a Curriculum Advisory Committee (CAC) was convened at NFA to conduct an indepth review of the Academy's EMS curriculum offerings with the objective of projecting course requirements into the 21st century. The CAC was comprised of EMS experts from around the country, who represent diversity in geography, system configurations, system designs, and areas of responsibility. The Committee identified EMS content areas that would support future course development. One of the areas, *Introduction to EMS Management*, closely corresponded to the existing MEMS course structure and was assigned the highest priority for development. The current MEMS course was designed during the fall of 1993 and piloted in April 1994 to meet that need. The current MEMS course content was developed from recommendations provided in the report of the 1992 Curriculum Advisory Committee, an extensive review and extrapolation of material and issues from current EMS literature, input from EMS subject matter experts (SME's), and design guidance from the U.S. Fire Administration USFA and NFA.

The goal of the current MEMS course is to provide you with an inventory of management skills that can be taken back to the work environment and demonstrated on the job. MEMS uses an innovative teaching method that requires you to demonstrate effective management skills rather than just indicating, through rote testing, a knowledge of management skills.

Because many adults learn by observing someone else and then practicing that behavior themselves, a significant feature of the instructional process in this course is the use of models--both paper and peer. In many of the exercises, you will be given the opportunity to observe your classmates to see how they handle an issue. In several of the exercises, you will be given the opportunity to "observe" someone else manage the exercise by reviewing a paper model of how that "person" completed the exercise. The model is not meant to represent the only right or correct answers; it is just one effective way to handle the exercise, as judged by your peers and supervisors.

Teaching management skills is not effective unless there is ample opportunity for you to practice the appropriate behaviors in a job-relevant context, followed by feedback on your ability to demonstrate the appropriate behaviors effectively. Only if you actively practice these skills will you leave the course with improved management skills.

MEMS is comprised of five modules of instruction that, taken together, progress through EMS activities that might confront a first-line EMS manager in a hypothetical city or community. Day one of the course provides for coverage of NFA administrative material, student/instructor introductions, a discussion of basic leadership and management concepts, and an introduction to the exercise scenario that will unfold during the course. The course will provide you with realistic simulations that you can relate back to your job. The remainder of the two-week course expands upon basic leadership and management issues, effective management of human resources, EMS system resources, interactions with external organizations, and discussions of current and future management issues in EMS. **Most of the requisite technical data (knowledge) is presented through outside reading requirements.** You are accountable for the technical knowledge through demonstration and practice as the learning experience progresses.

The scope of MEMS is by design very broad and affords you with ample opportunity to explore many EMS areas and issues. You are encouraged to expand the scope of any discussion to include specific problem areas or issues that you have encountered. Instructors have a responsibility to keep the course on track, but also have the leeway to meet the needs of individual classes. However, coverage of an unplanned topic may require after hours discussion to complete.

As a resident program course at NFA, MEMS puts you into a unique campus environment that enhances the learning experience. Although you and your fellow students are from an EMS background and face many of the same types of problems, you will discover quickly that there are many different approaches and solutions to those same problems. The resident environment encourages student sharing of issues, ideas, problems, and solutions both in and out of the classroom. Research indicates that students often benefit as much from professional out-of-class learning opportunities as they do from the course itself. Classroom activities are designed to promote maximum student interaction, group participation, and shared study. At the same time, the requirement for independent research affords you an opportunity to leave your own mark on the

class. What you take home from the MEMS course is related directly to your willingness to participate and learn from the experience.

We have covered to some extent the scope of the MEMS course. However, it is important to point out the areas that MEMS does not cover. MEMS does not deal with any clinical problems, protocols, or specific patient care procedures. Neither does it cover startup procedures for a new EMS service, or initial EMT/paramedic training requirements or qualification. The course also avoids putting you, the EMS first-line manager, on the street. Throughout the course, you will be placed "in the middle," with pressure being applied from the EMS street provider for advice, counsel, and support, and from the EMS system manager/medical director for system accountability and operation. Occasionally, you will experience additional pressure from external agencies and organizations.

Finally, MEMS stresses the application of effective leadership and management principles by a first-line EMS manager in the unique environment of prehospital emergency medical services. However, while dealing with the unique challenges of providing responsive emergency medical services, EMS managers must view their system concurrently as an operational business entity. This theme is addressed in many of the courses taught at the NFA in an effort to break down older, more traditional concepts. These more rigid concepts keep many fire departments from moving forward in a competitive business sense with other governmental agencies. In areas such as personnel management, financial management, quality management, and executive development, fire service agencies face problems similar to other businesses. Therefore, it is imperative that fire service and EMS managers use current, effective business practices when managing their service agencies. Although you are given the special problems and emergency situations of "the street," your management role places you in the position of running a business for your community. Community leaders and the general public expect you to be an effective manager, and they hold you accountable for your performance. The staff and faculty at NFA trust that your participation in the MEMS course will be rewarding and beneficial to you personally and, after you leave NFA, will benefit the agency and community you represent.

## **NFA WELCOME PACKAGE**

Below is information to help you plan your travel to the National Emergency Training Center (NETC). Even if you've taken classes at NETC previously, please read it carefully. ***The procedures may have changed since you were here last, and you will be responsible for complying with the current procedures.*** The last page of this package is entitled "CONTACT INFORMATION." We suggest you print it and provide a copy to your family and office staff in case they need to contact you **while you are here**. Although *friends or family may not stay in Housing*, they are welcome to attend graduation. Please contact Security before their arrival for current security protocol required for their entry to NETC campus.

If you have any questions, you may call us at either (800) 238-3358 or (301) 447-1000. When you reach the operator, ask for the appropriate extension:

- **Housing/Transportation---1048/1113**
- **Admissions---1035**
- **Food Service (Guest Services)---1551**
- **Security---1111**

You may send an email to:

- **Housing/Transportation:** [NETC-Housing@dhs.gov](mailto:NETC-Housing@dhs.gov)
- **Admissions:** [NETC-admissions@dhs.gov](mailto:NETC-admissions@dhs.gov)
- **Food Service:** [NETC-cafeteria@dhs.gov](mailto:NETC-cafeteria@dhs.gov)

If you need to fax information to any of the following offices, please note the following fax numbers:

- **Housing/Transportation:** (301) 447-1324
- **Admissions:** (301) 447-1441
- **Food Service:** (301) 447-6944

**SECURITY**

**Due to increased security precautions, students should bring two photo ID's to campus. PLEASE HAVE THEM WITH YOU, NOT IN YOUR BAGGAGE!** If you do not have the photo ID's, you will not be permitted on campus. Security checks will delay your registration at the NETC.

**If you are a student from a foreign country**, please be prepared to show your passport or visa at registration.

### **Firearms: Prohibited on campus!**

Due to heightened security requirements, please understand that security and law enforcement personnel may search you, your vehicle or your luggage. Maryland law is very narrow in its definition of law enforcement officers who may carry firearms. For your own protection, and to expedite your processing into the NETC, **do not bring weapons of any kind to campus**. Weapons include knives with blades longer than 3 inches, machete, bow & arrows, ammunition, rifles, shotguns, pistols, etc. Sworn/commissioned, and state POST certified officers and federal officers, or local officers with concurrent jurisdiction who require a firearm for the performance of required official duties must obtain an exception from the Director of Support Services prior to arrival on campus. If you arrive at NETC with weapons of any kind without prior approval, your entry to campus will be significantly delayed.

**Alcoholic Beverages:** Consumption of alcoholic beverages is limited to the Pub & Log Cabin. Alcohol is not allowed in lodging rooms or vehicles, and will be confiscated. If you arrive at NETC with, or are attempting to bring alcohol on campus, your entry to campus could be significantly delayed.

## TRAVEL

### TRAVEL BY AIR:

- You **must** make your own travel arrangements.
- You **must** be sure your flights meet the shuttle pickup/departure times, and the ticket purchase follows the parameters of travel as defined under “**REIMBURSEMENT**” in this package.

### NETC SHUTTLE SERVICE:

- Shuttle service is available between NETC and the airport(s) listed on the “**COURSE SPECIFIC INFORMATION**” sheet – a pink page enclosed with the acceptance letter you received for this class. **Read it carefully before making flight arrangements!**
- If you need bus transportation to NETC from the airport, you should plan to arrive at least 1 hour before bus departure time. **You must notify (email, phone or fax) the NETC Transportation Office at least 1 week prior to the course start-date to reserve a seat. IF YOU DO NOT CALL, SEATING MAY NOT BE AVAILABLE AND TRANSPORTATION TO EMMITSBURG WILL BE AT YOUR OWN EXPENSE.**
- **Our transportation will be either a motor coach/charter bus identified with NETC signage in the front window/door, or a maroon passenger van with the NETC signage in the front window.** You may contact the NETC Transportation Office a day before your arrival to inquire as to which vehicle will be used. For airport security reasons, **our drivers cannot leave their vehicles** and must circle the airport pickup area, **SO YOU WILL NEED TO LOOK FOR THE BUS OR VAN. If you do not see the vehicle 5 minutes prior to the pickup time, please call the NETC Transportation Office for guidance.**

**SHUTTLE PICKUP POINTS AT EACH AIRPORT:** *(check your pink “Course Specific Information” sheet as to which airport you may use. You can **ONLY** use an airport listed on that sheet! Ground transportation from other airports may be at your own expense. If your **scheduled arrival time** does not coincide with the shuttle schedule, ground transportation will be at your own expense as well.)*

- **Ronald Reagan National Airport (DCA):** Pickup is near the Travelers’ Aid Desk in Terminal ‘B’ (Lower Level, between gates 5 & 6). **Buses and vans** depart from the outside lane. If you arrive in Terminal ‘A’ please take the Economy/Rental Car airport bus shuttle to Terminal ‘B’, lower level, or walk across the terminal connector and go downstairs to exit door number 5, on your left.
- **Baltimore/Washington International Airport (BWI):** Pickup is near the Lower Level Baggage Areas 13 & 14. There is not a Travelers’ Aid Desk in this location. Buses and vans depart from the outside lane. BWI Airport is currently undergoing construction. If you have any questions or concerns, please contact the NETC Transportation Office or visit the BWI website at:  
[http://www.bwiairport.com/customer\\_assistance/lower\\_level\\_terminal-map](http://www.bwiairport.com/customer_assistance/lower_level_terminal-map)
- **Dulles International Airport (IAD):** There is a Traveler’s Aid Desk between Baggage Claim Areas 4 & 5 on the baggage level, located at the east end of the terminal. Go up the ramp and out exit-door number 6.

**DELAYED FLIGHTS:** If you are scheduled to use NETC transportation, but your flight is delayed for other than weather-related reasons, the airline is responsible for your transportation. If they will not transport you, please call the NETC Transportation Office when you arrive at the airport (it will be approximately 2 hours before we can pick you up). **If you choose not to use NETC transportation and arrange for other transportation, it will be at your own expense.**

### IF DRIVING:

- You may arrive on campus any time after 12:30 p.m. the day before your course begins.
- You must depart campus after the end of your course, except for courses with a next-day departure date.

- Your vehicle must be registered at Housing/Security for stipend/security reasons, even if you do not stay on campus.
- **There are no connections for mobile homes or recreational vehicles available at NETC.**

### **DIRECTIONS TO NETC:**

- **From Baltimore:** I-695 (Baltimore Beltway) to I-70 West (towards Frederick) to Route 15 North to Emmitsburg. Left turn off Route 15 to South Seton Avenue. 2<sup>nd</sup> Right onto campus (tree-lined drive).
- **From Washington:** I-495 (Washington Beltway) to I-270 North (towards Frederick) to Route 15 North to Emmitsburg. Left turn off Route 15 to South Seton Avenue. 2<sup>nd</sup> Right onto campus (tree-lined drive).
- **From Philadelphia and East:** Pennsylvania Turnpike West to Harrisburg, Exit 236 (Route 15). Go South on Route 15 to Emmitsburg. Right turn off Route 15 to South Seton Avenue. 2<sup>nd</sup> Right onto campus (tree-lined drive).
- **From Pittsburgh and West:** Pennsylvania Turnpike East to Harrisburg, Exit 236 (Route 15). Go South on Route 15 to Emmitsburg. Right turn off Route 15 to South Seton Avenue. 2<sup>nd</sup> Right onto campus (tree-lined drive).

### **REGISTRATION**

### **Where do I register?**

- Class, dormitory, and vehicle registration will take place in Building C Lobby.
- Since you may have to walk some distance to your room, we recommend you bring luggage with wheels.

### **If I am claiming stipend reimbursement, what do I need to provide at registration?**

- **A copy of a check for an account that bears your name.** Deposit slips or accounts for an organization or another individual are not acceptable; a copy of a check is the best source for the correct financial information.
- We've found it speeds up registration if you fax the information to the Admissions Office (301) 447-1441 **prior** to your course start date. Please include your name, Social Security Number, and course code/title/date on the fax along with your vehicle or flight information. Please be sure that the copy is legible.
- If your account is with a credit union, or if the account is payable through another bank, please have the bank provide you with the routing and account numbers for ACH deposit.
- If you incurred additional expenses for transportation/lodging/meal costs, **you must receive prior written approval** to be eligible for reimbursement of these expenses. If approved, **original receipts must** be presented at the time of your arrival.
- **If traveling by air or train you will need:**
  - **A copy of your ticket** that shows an itinerary of your trip indicates proof that the ticket was purchased at least 21-days in advance of the course travel date, and is non-refundable.
  - If you have an electronic ticket, you must submit the itinerary/receipt (with ticket number and actual ticket amount shown as having been paid).
- **If driving, you will also need to provide:**
  - **Automobile registration**
  - **Odometer readings**
  - **License tag number**
  - **A signed statement from the owning agency on letterhead stationery acknowledging your eligibility for reimbursement, if you are driving a state, county or municipal vehicle**
  - If you drove to NETC, but you will not be keeping your car on campus, it **must be registered on campus or you will not** receive reimbursement.

### **What if I am here for back-to-back courses?**

- You will be housed in the same room for the entire length of the stay. If you stay off-campus and do not purchase a meal ticket for the time between the courses, you must check out of housing after the first course ends (turn in the keycard and remove your belongings), and be assigned a new room upon your return.
- **If you choose to leave campus between courses**, any additional expenses that you may incur shall remain your responsibility.

### **LODGING**

### **Must I call to make a lodging reservation?**

- No, rooms are assigned once you are accepted into a course. Because of the random assignment, you may or may not be lodged in the same building as your classmates.
- We make every effort to ensure you have a single room. However, if the student count is high, you may be doubled with another student. **PLEASE DO NOT CALL TO REQUEST A SINGLE ROOM.**
- **IF YOU HAVE A DISABILITY AND NEED SPECIAL ACCOMMODATIONS**, please contact the Admissions office at least 2 weeks prior to your arrival on campus.
- **Some buildings do not have elevators. If that is a problem, please contact Admissions at least 2 weeks prior to your arrival.**

### **Is there a charge for lodging?**

- No, not if you are eligible for stipend reimbursement **or if you are a DHS federal traveler** (see “Reimbursement” section).
- If you **DO** have to pay for lodging, the current charge is \$30/day.
- NETC Housing accepts cash, personal check, travelers check, and credit card (American Express, VISA, MasterCard and Discover).

**What if I want to stay off campus?** If you choose to stay off campus, it will be at your own expense. You will still need to purchase a break ticket from **the food service contractor** for the length of your class.

### **What amenities are in each room?**

- Private bathroom
- TV and clock radio
- Refrigerator
- Linens and towels, with daily housekeeping service.
- Telephone with voice mail
- A telephone jack is located in each room for dial-up Internet access. Check with your Internet Service Provider (ISP) for local calling area access. Out-of-area ISP accessibility will require credit card, third party or collect billing for access from NETC. You should consider bringing a longer cord (10 ft.) if you are bringing your laptop computer. Some courses require students to bring reports or projects to be shared with the class. It is convenient to bring that information in an electronic format. NETC can support CD-ROM, USB devices and 3-1/2” floppy storage. USB devices will be scanned before being allowed to connect to Government equipment.

### **Additional costs you could incur during your stay:**

- Laundry and vending machines; dry cleaner costs
- Recreation Association pass (\$1) allows use of all recreation facilities and Pub (see section on NETC Recreation Association)
- Class Shirts or Group Donations
- Off campus class dinners

### **Are there laundry facilities available?**

- Yes, there are coin-operated washers and dryers in each lodging building (change available at the convenience store on campus).
- You may purchase laundry supplies at the convenience store on campus.

### **Are family, friends or pets allowed in the lodging rooms on campus?**

- No, **only the assigned NETC student** is allowed in the room. Relatives or friends are not allowed in the rooms, and cannot be lodged on campus. Upon request, the NETC Housing Office will provide information regarding local off campus accommodations; however, you are responsible for arranging and paying for those accommodations.
- Animals are not allowed in campus housing, except for seeing-eye and other service dogs. Please notify the housing office at least 2 weeks in advance if you will be bringing a guide/service dog.

**What time must I check out of my room?** Check out time is **9:00 a.m.** You may leave your luggage in your room until 9:30 a.m., but it must be packed and by the door. When you return for your luggage, please **do not** use the bathroom facilities if the room has already been cleaned for the next occupant. Please return your key card to the front desk by 9:30 a.m.--you will no longer have access to your room after that time.

### **DRESS CODE**

It is each student's responsibility to use good judgment in selecting attire which projects a professional image, and is appropriate for both climate differences and classroom activities. Generally, the standard is business casual. NFA staff have the authority to make a determination that a student's attire may be inappropriate. Students whose attire is determined to be inappropriate will be required to change into more appropriate clothing before being allowed to continue class.

### **Acceptable Attire for Classroom Settings:**

- **Males:** Shirts with collars; dress jeans. Departmental uniforms; departmental T-Shirts; shoes and socks.
- **Females:** Dresses; blouses; slacks; capris; dress jeans; skirts; skorts; departmental uniforms; departmental T-Shirts, and shoes.

### **Acceptable Attire for Graduation:**

- **Males:** Suits; sports coats; dress shirts with ties or class shirts; dress slacks, or departmental dress uniforms.
- **Females:** Suits or dresses; blouses or class shirts with dress slacks or skirts; or departmental dress uniforms.

Shorts, tank tops, ball caps, etc., are not permitted in the classrooms, auditorium, or dining hall. Bathing suits/trunks are not permitted outside the pool area. No mini skirts. Bare midriffs are not acceptable.

## ADMISSIONS POLICIES

### Attendance:

- **You are required to attend all sessions of the course.** If you do not, you may not receive a certificate and your stipend may be denied.
- NFA students are limited to one reimbursable trip per fiscal year (Oct 1-Sep 30). If you wish to attend a second NFA class (at your own expense) a letter to that effect must accompany the second application stating that you are waiving your stipend reimbursement.

### Substitutions:

- **Substitutions for NFA courses are made from waiting lists;** slots do not belong to the departments.
- All requests to consider an equally qualified person must be in writing and be accompanied by a completed General Admissions Application (FEMA Form 75-5) for the substitute.

**Cancellations or No-Shows:** NFA's mission for delivery of courses is impaired significantly by cancellations and no-shows. It is very difficult and costly to recruit students at the last minute. Currently there is a 2-year ban on student attendance for students who are no-shows or cancel within 30 days of the course start date without a valid reason. If you receive such a restriction, your **supervisor** needs to send a letter to Admissions explaining the cancellation/no-show.

## NETC POLICIES/INFORMATION

### Conduct:

- Federal Regulations (available at the LRC).
- FEMA and NETC Instructions (available at C Lobby, dormitory rooms, and on NETC Intranet web site).

### Smoking:

- All buildings on campus are **NON-SMOKING**, with the exception of the solarium portion of the Command Post Pub.
- If you smoke in your room, **you will** be asked to leave campus, relinquish your stipend reimbursement, and be charged to clean the room.

### Medical services:

- All medical expenses are your responsibility.
- Local hospitals accept medical insurance identification, cash, check, or major credit card.
- If you do not have proof of insurance, expect that payment may be a prerequisite to possible treatment.
- International students should be prepared to pay for medical services in the event the hospital or provider does not accept foreign insurance coverage.

### Student Word Processing Center (located in D Basement):

- Provides IBM<sup>®</sup> compatible Microcomputers with Internet access and printing capabilities.
- Systems utilize Microsoft Windows XP with Microsoft's Office Suite 2003.
- The center is open from 6:00 a.m.-11:00 p.m. every day. There is a technician available Mondays-Fridays from 5:00 p.m.-9:00 p.m., and from 8:00 a.m. till noon on Saturdays.

**Learning Resource Center:** Located in Building N, the LRC provides current information and resources on fire and emergency management subjects. With its collection of more than 100,000 books, reports, periodicals, and audiovisual materials, the LRC facilitates and supports student and faculty research and supplements classroom lectures and course materials. While classes are in session, the Schedule of Hours for the LRC is as follows:

Monday-Thursday	8:30 a.m. – 9:00 p.m.
Friday	8:30 a.m. – 5:00 p.m.
Saturday	4:00 p.m. – 8:00 p.m.
Sunday	12:00 p.m.- 4:00 p.m.

**Telephones:**

- Outgoing calls can be placed from your lodging room via calling card, collect, or third-party billing.
- ***You are not allowed to accept collect calls on campus phones. Any and all expenses related to phone use shall remain your responsibility.***

**Faxes:**

- Fax services are available at the convenience store for a fee.
- You may receive fax messages up to 4 pages in the Housing Office at (301) 447-1324.
- Anything over 4 pages will not be forwarded by Housing. Please use the fax service available at the convenience store, or have it sent by overnight mail.

**Automatic Teller Machine:** Located in D basement outside of O'Leary's Emporium, and at various locations off campus. Inquire at the registration desk at Building C for additional directions.

**Public Transportation:** Limited service. Inquire at the registration desk at Building C.

**Car Rentals:** You may contact the campus convenience store at (301) 447-1493 to arrange car rentals at your expense.

**NETC Recreation Association:** On the NETC campus, the NETC Recreation Association operates a Pub providing beverage and limited food service each evening. The Pub is a private club under Maryland liquor laws and membership in the Recreation Association is required for service. The cost is \$1.00 per campus stay and membership cards can be obtained from the Pub. Other items provided by the Recreation Association to its members and funded by sale of membership cards and Pub items include:

- Athletic equipment such as softball equipment, volleyballs, basketballs, golf clubs, and fishing equipment
- Keg service for special occasions such as cookouts
- Propane and replacement parts for the gas grills
- Acquisition and maintenance of the Christmas lights at the entrance to the campus
- Karaoke entertainment
- Maintenance of special stage lighting in the Student Center
- Assistance with maintenance of the bicycles
- Bicycle helmets
- Maintenance of the billiard tables and equipment
- Large screen television in the Pub
- Games in the Student Center

**NETC recreational activities include:**

- Gym with running track
- Exercise room
- Swimming pool
- Tennis/basketball/volleyball (sand and inside) courts
- Bicycles are available in Building H for use by Recreation Association members

**Nearby points of interest/recreational facilities (in season):**

- National/State parks
- Historic Gettysburg (tours available)
- Golf
- Swimming
- Snow skiing

## REIMBURSEMENT

Frequently asked questions/answers about reimbursement procedures are enclosed. Please read them carefully. If you have any questions about your eligibility to receive a stipend please contact Admissions either by email at [netc-admissions@dhs.gov](mailto:netc-admissions@dhs.gov) or by phone at (301) 447-1035.

**Any exceptions to travel must be requested in writing and faxed along with documentation to (301) 447-1441, AND approved in writing prior to making your travel arrangements.** Otherwise, your stipend may be denied or limited to the state ceiling amount.

### **Who is eligible for reimbursement?**

- State or local government representatives
- Recognized volunteer organization representatives
- Active emergency management organization representatives
- Representatives from State or local fire organizations
- **If you do not apply for a stipend reimbursement within 60 days following the course start date your stipend reimbursement will be denied.**

### **Who is NOT eligible for stipend reimbursement?**

- Federal government (federal students are subject to federal travel regulations and travel under orders prepared by their office)
- Private Industry employees
- Employees who are contracted to Federal, State or local government entities (such as Rural Metro departments)
- Representatives of a foreign organization

### **How will I be reimbursed?**

- Reimbursement will be electronically deposited into the checking or savings account that you identify.
- **Reimbursement will only be made to an account that bears your name.** You are responsible for reimbursing your department, if applicable. This is a result of increased restrictions by the receiving financial institutions.
- **If you do not have a personal account, please contact the Admissions office prior to your arrival for further instructions.**

### **If I fail the course, will I be reimbursed?**

- If eligible for a stipend, you **will** be reimbursed for the course you failed.
- If you reapply to either EMI or NFA and are accepted, no stipend will be paid for that course, and you will be required to pay for lodging. Once you successfully complete a course, you will once again be eligible to receive a stipend for future courses.

**If I fly, what will I be reimbursed?** You will be reimbursed the cost of a direct (no side-trips or extended stays), **21-day prior to the course travel date pre-purchase, non-refundable** ticket for round/trip transportation by common carrier (economy coach class or less) for each course or back-to-back courses that you attend. Proof of non-refundable fare is required!

- ***If you take side trips or travel outside of the defined travel days,*** your reimbursement shall be limited to **no more than** the state ceiling amount as noted on the enclosed Reimbursement Ceiling Chart.
- ***To eliminate the perception of misuse of government funds, FIRST CLASS, BUSINESS CLASS and REFUNDABLE AIRLINE TICKETS WILL NOT BE REIMBURSED AT FULL FARE,*** unless you request, in writing, an exception PRIOR to making your travel arrangements, and have received a written approval. Otherwise, your reimbursement will be limited up to the state ceiling amount.
- **It is your responsibility to find the cheapest ticket available.** Failure to do so may result in your reimbursement being limited to the state ceiling amount.

- **Use of frequent flier miles** toward the purchase of a ticket is **NOT** reimbursable.
- **Flight or ticket insurance is not reimbursable.**
- If any portion of your airfare is subsidized by another source, that portion is **NOT** reimbursable under the Stipend program.

**If I drive, what will I be reimbursed?** You will be reimbursed the current Privately Owned Vehicle (POV) Federal mileage allowance, or the state ceiling, **WHICHEVER IS LESS.**

- POV mileage is subject to validation.
- **If you do not register your vehicle with the Housing Office,** reimbursement for POV mileage may be denied.
- **If someone is dropping you off,** you *must* have the vehicle verified by the Housing office prior to the vehicle departing campus, or your stipend will be denied.
- If you carpool with another student, only the driver will be reimbursed.
- If you drove a rental car instead of your POV, your reimbursement is limited to the POV allowance.

**If I take a train or bus, what will I be reimbursed?**

- Your reimbursement is limited **to the cost of the ticket**, not to exceed the state ceiling **amount.**
- You must provide copies of the tickets actually used.
- Reimbursement shall not include costs for sleep accommodations or for transport of vehicles on the train.

**If I save money on my airfare, will I be reimbursed for extra expenses?** Yes, but **ONLY** if your class is **5 days or less in length with no Saturday stay over**, and you save a **minimum of \$250** off the cost of a 21-day prior to the course travel date pre-purchase non-refundable round trip economy class common carrier ticket. To do this, submit **written** documentation of the savings -- this can consist of itinerary copies of both the original price and the cheaper fare, OR copies of both fares from the Internet. Comparisons should be of like travel. If you do not acquire written approval from Admissions **prior** making your travel arrangements, the extra expenses **will not** be reimbursed. The following options apply if your request is approved:

**a.) You may stay on campus 1 night prior to your regularly scheduled arrival date if lodging is available and you have received written approval to do so.**

- Please contact the NETC Transportation Department to see if there will be shuttle service available on your travel date. If you carpool using a rental car, the rental agency must list (as drivers) all eligible students claiming reimbursement on the rental agreement or only the driver will be reimbursed.

**b.) You may stay in the Baltimore/DC metro areas before or after your course.**

- If you save at least \$250.00 in airfare as noted in the terms above, you may be reimbursed up to \$90/day (2-day limit for savings over \$500) for lodging or transportation expenses. **Original** receipts must be provided. If you carpool **from the airport** using a rental car, all students claiming reimbursement must be listed (as drivers), by the rental agency on the rental agreement or only the driver will be reimbursed.
- If you stay after your course ends, ask for a Stipend Agreement Amendment (FEMA Form 75-3a) when you register. When you return home, mail it with **original hotel or transportation** receipts to Admissions, Room I-216, 16825 South Seton Avenue, Emmitsburg, MD 21727 within 60 days of the start date of the course, or reimbursement **WILL BE DENIED.**

## FOOD SERVICE

### Must I purchase a meal ticket?

- If you stay on campus, you **must** purchase a meal ticket. **If you do not, you will be asked to vacate your room on campus. You will then be responsible for your off-campus lodging costs, and we will deny your request for stipend reimbursement.**
- If you stay off campus, you **must** purchase a break ticket, currently \$3 per day.

### What is the cost of my meal ticket?

- Your meal ticket cost is identified in your acceptance letter.
- Meals other than those included in your meal ticket are to be paid for by cash.

### What if I'm here for back-to-back courses?

- Your meal ticket includes the time between the two courses.
- If you stay off campus between the two courses (vacating your room), you must notify the food service Contractor **before** purchasing your meal ticket for the first course. If you do not, you will be charged the full amount. (*Refer to information under "Registration."*)

### How do I pay for my meals?

- Cash
- Traveler's checks
- State or Local government checks payable to the food service contractor
- Advanced payment by department check. **Please notify your department to include: your name, course code and course date on the check**, and send it to the food service contractor at Building K, 16825 South Seton Avenue, Emmitsburg, MD 21727. Please call the food service if you need their Federal Tax ID#.
- Purchase order payable to the food service contractor
- Credit card (MasterCard or VISA) (Minimum charge of \$6)
- **The food service contractor DOES NOT accept personal checks.**

**What if I will not be on campus for the first and last meal identified as part of my meal ticket?** You must notify the food service contractor at least 1 week prior to your course start date. If you do not, you will be obligated to pay the full amount.

**May I get a refund on my meal ticket?** There are no refunds except for emergency departures!

**What if I'm on a special diet?** Please call the food service contractor or fax your request to (301) 447-6944 at least 2 weeks prior to arriving at NETC. They will make arrangements to meet your needs. If you don't make arrangements prior to your arrival, you will be responsible for purchasing the normal meal ticket.

### What happens if the bus arrives after the dining hall has closed?

- The food service contractor will provide you with a boxed dinner.
- Snack food is available at the Command Post Pub.

## ***CONTACT INFORMATION***

**How do I get a telephone call?** The caller may dial your direct extension (301) 447-xxxx. If requested, you will be provided with your extension at check-in. Numbers are NOT given to anyone else.

- For non-emergency situations, the caller may dial (301) 447-1048. The Student Coordinator will either transfer the call to your room or take a message and place it on the message board located in 'C' Lobby, which you should check daily.
- ***NETC will not accept personal telephone calls to students from the (800) number.*** Family members should dial (301) 447-1000 to contact a student.
- ***You may NOT accept collect calls.*** To do so may restrict you from attending future EMI or NFA courses.

### **What if the call is an emergency?**

- The caller should state that the call is an emergency.
- The message will be delivered to you immediately unless you are not on campus.
- If you are leaving campus for a period of time, you should notify security where you can be reached.
- If you must return home due to an emergency, check out with the Housing Office in Building C before you depart the campus!

### **How do I get mail?**

- Mail is delivered to C Lobby Monday through Friday, except Federal holidays.
- All packages are x-rayed and no delivery is provided on weekends or holidays.
- Letters or packages should not be mailed to reach NETC ***before*** you arrive, since mail-holding areas are not available. Mail received when you are not on campus will be automatically returned to the sender.
- Outgoing mail should be deposited in the mailbox located near Building K (Dining Hall). The NETC Mailroom cannot mail outgoing items for students.

## FREQUENTLY ASKED REIMBURSEMENT QUESTIONS

1. **Why must I be reimbursed electronically?** Public Law 104-134 mandates that after January 1, 1999, all Federal payments shall be made by electronic funds transfer unless a waiver is obtained from the Secretary of the Treasury.
2. **If my organization paid for my ticket, may I request that the reimbursement go to them?** Due to increased restrictions by the receiving financial institutions, money should only be deposited into an account bearing your name. You may then reimburse your organization.
3. **What if I don't have a checking account?** The money can be deposited into a savings account. Please call the Admissions Office (301-447-1035) and we will send you a form to complete. If you don't have a checking or savings account, you **MUST** submit a letter stating that fact, and a check will be sent to your home address. However, your reimbursement may take longer up to 12 weeks.
4. **How will I know when it's deposited?** The entry in an account may differ from bank to bank, but most likely it will be listed as "FED SALARY, FEM2, or TREAS" and will probably **NOT** have your name next to it.
5. **How long will it take for me to receive reimbursement?** The reimbursement should be made to your account no later than 6-8 weeks from the course start date. If after 8 weeks you still haven't received your reimbursement, please call the Admissions Office at (301) 447-1035 or email us at [netc-admissions@dhs.gov](mailto:netc-admissions@dhs.gov) to check on the status of your claim.
6. **What would delay my stipend being processed?** Not having any of the following: 1) your airline ticket; 2) itinerary with ticket number and payment made (ticket number pending is not acceptable); 3) POV information; 4) request from your organization for reimbursement or 5) the appropriate direct deposit information. If you bank with a credit union, please have them confirm your routing and account numbers.
7. **What would reduce my stipend claim?** Your stipend might be reduced if you purchased a refundable, first- or business-class ticket; took side trips or had extended stays; or purchased your ticket within 21 days prior to the course travel date.
8. **What if I am submitting an electronic airline ticket?** You must submit the itinerary receipt (listing the ticket number and showing that payment was made) at registration. If the itinerary does not identify that the ticket is non-refundable, you need to provide us with documentation that the ticket is either non-refundable or the cheapest fare available at the time you purchased your ticket. If you do not provide the documentation to us, we will only reimburse up to your state's ceiling amount.
9. **Will I be reimbursed for the airfare if frequent flyer miles are used?** Frequent flyer miles cannot be reimbursed because you would not be incurring out-of-pocket expenses.
10. **What do I need to provide if I take a side/extended trip?** If the cost is less than your state's ceiling amount, you will be reimbursed for the cost of the ticket. If the cost is higher than your state's ceiling amount, your reimbursement will be limited to your state's ceiling amount.
11. **Do I receive reimbursement for parking, shuttles and travel between my home and my local airport?** No, those expenses are part of the student's share of the stipend program.
12. **Will I be reimbursed for my meals?** No, that expense is also part of the student's share of the stipend program.
13. **What is the driving mileage allowance?** Your reimbursement will be limited to the current POV Federal mileage allowance, or the state ceiling, **WHICHEVER IS LESS**. POV mileage is subject to validation.
14. **What information should I bring when driving my Privately Owned Vehicle (POV)?** You must show a picture ID (we recommend you bring two in case our security level is elevated), registration card, and have your odometer readings and license tag number **PRIOR** to receiving your room key. Some states do not require the registration to be in the vehicle. However, you must submit a copy of your POV registration to be eligible for a stipend.
15. **What documentation do I need if I am driving my organizational vehicle and they want to be reimbursed for my mileage?** In addition to the information listed in question #14, you also need a statement from your organization, on organization letterhead, stating that you are authorized to drive the vehicle and they would like you to receive reimbursement. If you carpool with another student, only one driver will be reimbursed. As stated in #2, the reimbursement will be made to your account. You will be responsible for reimbursing your organization.
16. **What if I'm driving with family, and they will be using the car off campus while I'm at NETC?** You must register your car on campus prior to your family taking the car off campus or you will not be eligible for reimbursement.

## THIS TABLE WILL BE USED TO DETERMINE REIMBURSEMENT FOR NETC STUDENTS WHO:

- Drove or traveled by bus or train
- Did not purchase or show proof of non-refundable fare
- Purchased tickets less than 21 days prior to course travel date
- Took side-trips or had extended stayovers
